

PETITION

TO: COUNCILMEMBER WENDY GREUEL, COUNCIL DISTRICT 2

BY: RESIDENTS OF THE CITY OF LOS ANGELES AND SURROUNDING COMMUNITIES

Because of the irreversible negative impacts that the proposed Canyon Hills housing project will have on public services, public safety, air quality, traffic, ambient noise, biological resources, light pollution, recreational resources, equestrian trails, scenic resources and visual aesthetics in La Tuna Canyon, Sunland, Tujunga and the surrounding communities;

We, the undersigned, urge you and the entire Los Angeles City Council to deny approval of any portions of the Canyon Hills Project that require changes in the current Los Angeles City General Plan, Los Angeles Municipal Code, local Community Plans, the Hillside Ordinance, the Slope Density Ordinance, the Oak Tree Ordinance and/or any current zoning.
